## Christian's Top 10 Cabs

The second annual Christian Eedes Cabernet Sauvignon Report unveiled its Top 10 at an exclusive event held at Burrata at the Biscuit Mill, Woodstock. The report is compiled in collaboration with Sanlam Private Investments (SPI) and aims to establish a recognised benchmark for the variety. A total of 60 wines were tasted and the judges found that local Cabs are, on the whole, very impressive in quality with “the thin and weedy wines of yesteryear being replaced with premium Cabernet, characterised by richness and weight”.
