

Double Door Natural Sweet Roussanne 2018

THE STORY

The Double Door Range introduces wines that are made from a mix of estate grapes and grapes bought in from neighbouring farms. This gives us the chance to be creative, introducing new varieties and producing wines that have their own distinctive style.

In 2018 a portion of Roussanne was left to ripen further on the vine giving us a rich and opulent high sugar juice. The result is a wine that has not fermented dry.

We have used this to our advantage and produced a wine which expresses an exquisite nose of desert pear and peach. A rich creamy palate showcasing the spiciness from old barrels inviting you to take a second sip.

IN THE CELLAR

The juice was fermented in an even mix of old barrel and stainless steel to maintain fresh fruitiness with depth of flavour.
