Winemakers' Choice Awards

Press Release

Diamonds are a girl's best friend!

Chardonnay 2012

La Bri is proud to add a "Diamond" to the awards list for 2013. The La Bri Chardonnay 2012 was one of only three wooded Chardonnays to receive a Diamond Award at this year's Winemakers' Choice Awards.

This crisp bright straw yellow Chardonnay explodes with lemon and lime citrus on the nose. Subtle almond undertones can be detected. Entry is fresh with a lemony mid palate and a lingering elegant finish.

The Winemakers' Choice Awards competition is exclusively judged by winemakers, representing all wine regions of South Africa.

The wines are assessed both technically and aesthetically with the judging procedures allowing for fair and objective results. Approximately 10% of entrants are given awards.

Having our Chardonnay recognised by industry peers is a huge honour for La Bri!
