Cold soak for 1 week before fermentation in stainless steel tanks. Malolactic fermentation took place in barrel. Matured for 24 months in 3 new French oak barrels.

### BOTANICAL SKETCH

Each of our wines is linked to a specific flower- the characteristics of the wine are symbolized by that particular flower on the label.

### *Herbae* (Herbs)

In line with the labelling of the Limited Release Range the Label has been inverted to reflect the status of this wine. This **Syrah** has powerful spiced aromas of cloves and herbs, much like one would experience whilst strolling through a herb garden.
